Notice of Stock Split

TOKYO – February 8, 2018 – NEXON Co., Ltd. (“Nexon”) (3659.TO) today announced that its Board of Directors has resolved a stock split. Details are as follows.

1. Purpose of the stock split

To increase the liquidity of Nexon’s stock and expanding the investor base by reducing the stock price per trading unit.

2. Overview of the stock split

(1) Method of stock split

The record date of the stock split will be Saturday, March 31, 2018 (provided, however, that since this day falls under a non-business day of the shareholder registry administrator, the practical record date will be Friday, March 30, 2018). Each share of common stock owned by shareholders recorded on the final shareholder registry as of the record date will be split into two shares.

(2) Number of shares to be increased by the stock split

- (i) Total number of shares outstanding before stock split: 440,372,332 shares
- (ii) Number of shares to be increased by this stock split: 440,372,332 shares
- (iii) Total number of shares outstanding after stock split: 880,744,664 shares
- (iv) Total number of authorized shares after stock split: 1,400,000,000 shares

Note: (i) Total number of shares outstanding before stock split, (ii) number of shares to be increased by this stock split and (iii) total number of shares outstanding after stock split above are each calculated based on the total number of shares outstanding as of January 31, 2018. Although Nexon has issued subscription rights to shares, no increase in the total number of shares outstanding due to any exercise of such subscription rights to shares on or after February 1, 2018 has been included above. Therefore, the total number of shares outstanding may increase during the period from February 1, 2018 to the record date of the stock split as a result of an exercise of subscription rights to shares.

(3) Stock split schedule

- (i) Date of announcement of the record date: Thursday, March 15, 2018
(ii) Record date: Saturday, March 31, 2018
(Practically, Friday, March 30, 2018)
(iii) Effective date: Sunday, April 1, 2018

(4) Other

- a. There is no change in the amount of capital due to this stock split.
- b. With the stock split taking effect on Sunday, April 1, 2018, the per share exercise price of subscription rights to shares and the number of shares to be issued per subscription right to shares will be adjusted as follows.
