

**Price Revisions For Beer, RTD, Other Kegged Products,
Non-alcoholic Beverages**

TOKYO – November 27, 2024 – Kirin Brewery Company, Limited (Kirin Brewery) will revise manufacturer prices for certain beer, RTD, other kegged products, and non-alcoholic beverages delivered from April 1, 2025.

Kirin Brewery has made various corporate efforts and management rationalizations, including cost reductions and productivity improvements throughout the business, in order to provide consumers with high-quality, safe, and reliable products at a reasonable price.

However, in recent years, sharp rises in materials prices including raw material prices, energy costs, and transportation costs have made it difficult to absorb the cost increases in some products through corporate efforts alone. Therefore, in order to continue to provide safe and reliable products to its consumers, Kirin Brewery has unavoidably decided to implement price revisions for some of its products.

Kirin Brewery will continue to work to improve management efficiency and ensure the stable delivery of high-quality, safe, and reliable products to consumers.
