(Code No. 3289, TSE Prime)  
Contact information Yumi Nakano, Operating Officer

## Matters Concerning Controlling Shareholders, etc.

The Company hereby announces the following matters concerning controlling shareholders, etc. with respect to Tokyu Corporation, the Company's other associated company, as follows:

### 1. Trade name, etc. of the parent company, controlling shareholder (excluding the parent company), or other associated company

(as of March 31, 2025)

Name	Relationship	Voting rights held (%)			Financial instruments exchange, etc. on which the issued shares, etc. are listed
		Voting rights directly held	Voting rights subject to aggregation	Total	
Tokyu Corporation	Other associated company	15.92	0.14	16.06	Tokyo Stock Exchange, Prime

### 2. Positioning of the listed company within the corporate group of the parent company, etc., and the relationship between the parent company, etc. with other listed companies

The Company is an affiliated company of Tokyu Corporation (hereafter referred to as "Tokyu") and is a member of the Tokyu Group, which is centered around Tokyu.

We aim to improve the value of the "Tokyu" brand, as a brand associated with "trust and peace of mind" under the Group Philosophy, "Toward a Beautiful Age." We aim to become a corporate group that continues to create value. We collaborate with other Tokyu Group companies in a meaningful way as we pursue corporate activities that respond to diverse values.

Tokyu owns 16.06% of the Company's voting rights.

Transactions between our Group and Tokyu are limited in financial value. For example, our Group and Tokyu often lease facilities from each other. Tokyu Livable, Inc., a subsidiary of the Company, also acts as a sales agent for condominiums, detached houses, and other properties that Tokyu sells.

We engage in corporate activities by maintaining cooperation with Tokyu and with each Tokyu Group company. However, we believe that the value of our business transactions is such that they do not hamper our independent management decisions, and a certain degree of independence is ensured.

### 3. Matters concerning transactions with controlling shareholders, etc.

There were no significant transactions to be disclosed for the fiscal year ended March 31, 2025.
