“Nexon Developers Conference 19” Starts today!

One of the Largest Conferences in Korea for Sharing Game Development Know-How

TOKYO – April 24, 2019 – NEXON Co., Ltd. (3659.TO) (“Nexon”), a global leader in online games, kicks off Nexon Developers Conference 19 (“NDC 19”) today. The conference, one of the largest for game developers and university students in Korea, is hosted by its consolidated subsidiary, NEXON Korea Corporation (“Nexon Korea”).

During the conference’s keynote session, devCAT Studio’s Chief Producer Donggun Kim reflected back on the early days of the development of *Mabinogi*, an online RPG that allows players to enjoy a laid-back life which this year celebrates the 15th anniversary of the launch of its service in Korea. He also talked about how the team intends to evolve the game in the next generation. This keynote session and other NDC sessions have been well-attended. With the opening sessions behind us, the venue is now buzzing with excitement. Many guests are thronging around art exhibitions, as well as musical performances by multiple bands comprised of Nexon employees.

NDC is celebrating its 13th year, featuring a total of 105 sessions on various topics ranging from game development to programming, visual arts, sound production, and even business management.
