Official Japan Service of a Mobile Game, *MapleStory M* Launches Today!!

It has already reached No.1 in the iOS free game app ranking!

TOKYO – April 10, 2019 – NEXON Co., Ltd. (3659.TO) (“Nexon”), a global leader in online games, today launched the official Japan service of its side-scrolling action RPG *MapleStory M* application for iOS and Android. As at 14:00, it has reached No. 1 on iOS free game app ranking and No.1 on top trending game app ranking for Google Play.

MapleStory M retains the fun and appeal of the PC version of *MapleStory* while adding new stories and elements. It allows users to enjoy Maple World anytime, anywhere.

Let's all relax and enjoy *MapleStory M* together!

Features of MapleStory M:

■ Training

Players can choose from a wide range of jobs/classes and train their characters their own way.

You can also enjoy fashion! Train your own original character!

■ Conversation

Part of the game's appeal is communicating with other players.

Once you make friends, the game will become a lot more fun!

■ Cooperation

You can even defeat strong enemies if everyone fights together!

You can get a taste of the excitement and sense of achievement that you would never be able to experience with solo games.

■ Adventure

There is no set story, so the way you progress is up to you.

Freely explore the vast Maple World!

■ PC version of *MapleStory* recreated on smartphones

The Maple World of the PC version is recreated on smartphones. You can, of course, enjoy cooperative play with other players! On top of that, the story is original to *MapleStory M*.

■ Jobs/classes and monsters

Adventurers, Cygnus Knights, and many other classic jobs and classes that you have played appear in the game! Of course, the familiar monsters and bosses are all there as well.

■ Easy play

Easy control that is unique to smartphones allows you to play anytime, anywhere.

Even troublesome hunting becomes stress-free!

■ Linked to the PC version of *MapleStory*

When you clear certain quests, the reward will also be delivered to the PC version of *MapleStory*.

Elements linked to the PC version of *MapleStory* are all ready to go.

Enjoy both versions together!

You can reunite with your old friends...!? Reunion Square opens!

If you log in to the special website “Reunion Square” shown below, using a character you have previously created in the PC version of *MapleStory*, you will be able to send messages to your friends.

Or maybe you would get messages from your old friends...!?

If you have forgotten your Maple ID, look for your friends on the free forum!

MapleStory M is the mobile version of the MMORPG (massively multiplayer online role playing game) *MapleStory* developed by NEXON Korea Corporation (location: Korea). It is a side-scrolling-type online action game in which players progress in their adventures by fighting with cute monsters such as mushrooms and pigs on or at various islands and villages. Although retaining the fun of the PC version of *MapleStory*, its all-new story allows players to enjoy a completely new Maple World.
