Notice Regarding Postponement of the Temporary Closure of Kawamura Memorial DIC Museum of Art

In our timely disclosure dated August 27, 2024, titled “Interim Report on Advice from the Corporate Value Improvement Committee Regarding Operation of the Kawamura Memorial DIC Museum of Art, Matters Discussed by the Board of Directors and the Board’s Future Actions,” DIC Corporation announced that the Kawamura Memorial DIC Museum of Art—a DIC Group entity—located in Sakura, Chiba Prefecture, would be closed temporarily from late January 2025. However, the Company announced today that it has decided to postpone the closure until late March 2025.

Reasons for postponement

Taking into account visitor numbers since its timely disclosure of related information on August 27, the Company has decided to postpone the closure in order to allow more guests to visit the museum beforehand. Specific dates will be published promptly on DIC’s global website and the museum’s website once they have been finalized.

A final report on the results of the review regarding operation of the museum is scheduled to be published by the end of December 2024.
