(hereinafter "Sawai Pharmaceutical"), a consolidated subsidiary of the Company, as outlined below.

1. Outline

In the patent infringement lawsuit concerning the use patent of Nalfurafine, Sawai Pharmaceutical was granted a favorable judgment by the Tokyo District Court on March 30, 2021, recognizing its claim of non-infringement. However, the case was subsequently appealed to the IP High Court, which has now ruled against the Company's claim.

2. Amount of damages owed
14,290,939,291 yen

3. Impact on the Financials

4. Feature actions

The Company believes that the judgment rendered by IP High Court is totally unacceptable which extremely disregards the Sawai Pharmaceutical's claims in the lawsuit. The Company and Sawai Pharmaceutical will promptly take all possible legal actions, including but not limited to, a final appeal to the Supreme Court of Japan after reviewing the judgment carefully.
