RAIZNEXT Corporation

(Code No. 6379, Prime Market of the Tokyo Stock Exchange)

PT. SHINKO PLANTECH, an Overseas Group Company of RAIZNEXT, to Relocate and Expand Its Office: Enhancing Customer Services in Indonesia

RAIZNEXT Corporation (the “Company,” head office: Yokohama City) hereby announces that it has decided to relocate the Cilegon Office of PT. SHINKO PLANTECH (head office: Jakarta), an overseas group company of the Company, and construct a new, expanded office.

Left: Masayuki Takasugi, Representative Director, President of PT. SHINKO PLANTECH;

Right: Teruhiko Mouri, Representative Director, President of RAIZNEXT

Ground-breaking ceremony held at the construction site of the new office on December 9, 2025

PT. SHINKO PLANTECH, positioned as an important overseas business base of RAIZNEXT, is expected to see an increase in the number of orders it receives in the future. Upon the expiration of the land lease agreement, the Company has decided to relocate its current Cilegon Office to a location closer to its customers and construct a new Cilegon Office. The new office, with an area more than 1.5 times larger than that of the current office, will include a workshop facility equipped with an overhead traveling crane, as is the case with the current office. Through these initiatives, the Company aims to improve operational efficiency and enhance its customer service capabilities to better meet local needs.

PT. SHINKO PLANTECH, based in West Java, Indonesia, is an integrated plant maintenance company. It provides daily maintenance work, turnaround work, modification and revamping work, and construction work for a wide range of facilities, including petrochemical and general chemical plants, mainly for Japanese customers.

The RAIZNEXT Group will continue to strive to improve customer satisfaction through business activities that meet local needs.
