The status of corporate governance of the Company is as follows.

I. Basic Stance on Corporate Governance, Capital Structure, Corporate Attributes and Other Basic Information

1. Basic Views UPDATED

The Company will, with the aim of achieving sustainable growth and improvement of corporate value on a medium to long-term basis, make efforts to enhance corporate governance in accordance with the basic concepts described below based on the belief that the essence of corporate governance lies in increasing the dynamism of management by securing the transparency and fairness thereof and making management decisions in a prompt and decisive manner.

- (1) To respect the rights of the shareholders and secure equality among them.
- (2) To consider the interests of the stakeholders including the shareholders and cooperate with them in an appropriate manner.
- (3) To disclose corporate information in an appropriate manner to secure transparency of management.
- (4) To have the board of directors, taking into account the fiduciary responsibility and accountability to shareholders, enhance separation of the execution of management from the supervision thereof and the function of management supervision by outside directors to ensure the sustainable growth of the Company, enhancement of corporate value on a medium to long-term basis, and improvement of profitability and capital efficiency.
- (5) To have constructive dialogue with the shareholders.

[Reasons for Non-compliance with the Principles of Corporate Governance Code.]

The Company has implemented each principle in the Corporate Governance Code.

[Disclosure Based on the Principles of the Corporate Governance Code.] UPDATED

For the Basic policy on the Company's Corporate Governance, in addition to this report, it is also appeared on the Company's website.

<https://kito.com/ir/governance>

[Principle 1.4 Cross-Shareholding]

(1) Policies for Holding of Shares for Political Purposes

The Company will hold listed shares of its business partners for political purposes only in the cases that the holding of the shares including the number of shares to be held is deemed rational when its importance in the Company's business strategies and business relationship with the trading partners are comprehensively considered. The rationality for holding such shares will be verified on a regular basis.

Also, as a result of the verification, the basic policy is to promptly dispose of and reduce the number of shares held for political purpose that it is considered that the significance of its possession is weak.

(2) Exercise of Voting Rights

The Company will make a decision concerning the exercise of its voting rights in terms of each agendum after confirming, while respecting the management policies of the companies it invests in, the attitude toward returns to its shareholders, corporate governance, contribution to the increase in the Company's corporate value on a medium to long-term basis as well as the prospect of its business relationship with the Company in the future and its corporate social responsibility.

(3) Sale the Company's Shares by the cross-shareholders

When cross-shareholders (i.e., shareholders who hold a company's shares for the purpose of cross-shareholdings) indicate their intention to sell their shares, the Companies will respect their intention.

(4) Do not engage in transactions that harm the interests of the shareholders of the Company between the cross-shareholders and the Company

Regardless of whether the client is a cross shareholder or not, the Company has sufficiently verified the economic rationality in transactions, and the Company has not made any transactions that would harm the interests of the company or its shareholders.

[Principle 1.7 Related party transactions]

Conflict-of-interest transactions between the Company and its director, executive manager or controlling shareholder or competing transactions by the Company's director or executive manager, if any, will be subject to presentation to the board of directors for approval pursuant to the provisions of the Regulations of the Board of Directors

[Principle 2.6 Roles of Corporate Pension Funds as Asset Owners]

The Company acknowledges the fact that the operation of the reserve fund of corporate pension plans affects the financial condition of the Company in addition to the stable asset formation of employees.

Based on the acknowledgement, in order to enhance the expertise in the management of corporate pensions and to demonstrate the functions as the asset owner to be expected, the Company will work on the improvement of the operation of corporate pension by developing planned human resource and planned placement of that human resource.

<https://kito.com/ir/sir/shareholder>

[Principle 3.1 Full Disclosure]

(i) We disclose our business philosophy, business strategy and business plan on our website, securities report, etc. (<https://kito.com/ir/library>)

(ii) Basic concept and basic policy on corporate governance

The basic concept of corporate governance is described in "1. Basic concept" of "I. Basic concept and capital structure of corporate governance, corporate attributes and other basic information" in this report. Please refer to it. The basic policy is also disclosed on our website.

<https://kito.com/ir/governance>

(iii) Policies and procedures for the Board of Directors to determine the remuneration of senior executives and directors

The policies and procedures for determining executive compensation are disclosed in "II.1. [Director Relationship] and [Director Compensation]" in this report and the securities report.

<https://kito.com/ir/library>

(iv) Policies and procedures for electing and dismissing executives and nominating director and auditor candidates

The Company is convinced that diverse human resources, regardless of gender or nationality, will bring new ideas and ideas to the Group's businesses and drive innovation.

<Policy>

(Election)

1 With regard to internal directors, persons with experience in business divisions such as sales and manufacturing, and persons with experience in planning, development and management will be elected.

2 With regard to outside directors and outside corporate auditors, they are expected to be appointed based on their knowledge, experience, ability, and personality, as well as those who can proactively make recommendations and raise issues regarding the Company's decision-making.

(Dismissal)

If there is an unfair act or a violation of the law or the Articles of Incorporation in relation to the execution of duties, the dismissal of the director and / or the auditor is considered.

<Procedure>

The board members will be recommended to the Board of Directors after deliberation by the Nomination and Compensation Committee, and will be proposed to the Ordinary General Meeting of Shareholders after resolution by the Board of Directors.

After the deliberation of the Nomination and Remuneration Committee, the Board of Directors will get the consent of the Board of Corporate Auditors, and the Board of Directors will make a resolution prior to the Ordinary General Meeting of Shareholders.

When dismissing a Corporate Auditor, the Company will propose it to the Ordinary General Meeting of Shareholders.

- (v) Explanation of the appointment and nomination of individual directors and corporate auditors
The reasons for the appointment and nomination of Directors and Corporate Auditors are described individually in the Notice of the General Meeting of Shareholders.

(<https://kito.com/wp/wp-content/uploads/Notice-of-the-75th-Ordinary-General-Meeting-of-Shareholders.pdf>)

[Supplementary Principle 4.1.1 Scope and content of the matters delegated to the management]

The Board of Directors, as a decision-making body for the management of the Company, resolves legal matters, determines and approves basic management policies and important matters in business execution and supervises directors' execution of duties. In addition, it is positioned as the highest decision-making body of the Group, and makes important decisions regarding group companies and controls the entire group. The Company has introduced a division system and delegated the execution of operations within the scope of division of duties of each director.

[Principle 4.9 Independence standards and qualification for independent directors]

In order to objectively judge the independence of outside directors and outside corporate auditors, the Company independently defines and determines the independence criteria based on the independence criteria established by the Financial Instruments Exchange. In addition, we will judge based on not only independence, but also from the perspective of knowledge, experience, ability, personality, and from the perspective on whether candidates for directors and corporate auditors can expect to make proactive proposals and issues for the Company's decision-making.

[Supplementary Principle 4.11.1 A view on the appropriate balance between knowledge, experience and skills of the board as a whole, and also on diversity and appropriate board size]

In terms of the composition of our board of directors, we believe that it is desirable for directors to have a good balance of knowledge, experience, and ability, and to have diversity in genders and nationality, and to have the board of directors in a proper size. The policies and procedures for the election of Directors of the Company are as described in the "I. Basic Policy and Capital Structure for Corporate Governance, Corporate Attributes and Other Basic Information" section of this report, "Disclosure based on the principles of the Corporate Governance Code". Please refer to 3-1: Full Disclosure (iv).

[Supplementary Principle 4.11.2 Major concurrent positions in other organizations of Directors/kasnsayaku]

The important concurrent position of the Company's is described in the Notice of the General Meeting of Shareholders.

[Supplementary Principle 4.11.3 Analysis and evaluation on effectiveness of Board of Directors]

In December 2018, the Company conducted an evaluation on the effectiveness of the Board of Directors.

(1) Evaluation method

Conducted a questionnaire survey on directors and corporate auditors, and reported the results to the board of directors

Questionnaire items (5 categories, 42 questions)

1. Composition of the board of directors (number of members, diversity, number and ratio of outside directors, etc.)
2. Management of the board of directors (frequency of meetings, information provision, degree of discussion, atmosphere of meetings, etc.)
3. Agenda of the Board of Directors (Agenda selection and proposal time, deliberation time, officer nomination and compensation, discussion of governance and risk, etc.)
4. System to support the Board of Directors (Securing of equipment for obtaining information from

- directors, training of directors and corporate auditors, cooperation with internal audit department, etc.)
5. Questions about optional committees (designated compensation committees) (number of members, diversity, atmosphere of the meeting, etc.)

(2) Results and future response

We were able to confirm that our board of directors fulfills its roles and responsibilities properly.

With regard to the problems and issues identified in this evaluation, we will work to improve the board of directors.

1. In the process of formulating the next medium-term business plan, deepen discussions on medium- and long-term strategies, product strategies and regional strategies.
2. Increase the frequency of discussions on major risks as a whole and conduct regular reviews.
3. Concretely discuss and execute the representative and management's success plan

[Supplementary Principle 4.14.2 Training policy for directors and kansayaku]

In order to achieve sustainable growth and medium- to long-term improvement of corporate value, the Company needs directors and corporate auditors from the perspective of securing human resources who can ensure management transparency and fairness and make quick and decisive decisions. When he takes office, he has an opportunity to explain the company law, management issues, corporate governance, and finance. In addition, when outside directors and outside corporate auditors take office, in addition to explaining our corporate philosophy, history, and business content, we set up opportunities for plant inspections and overseas subsidiary inspections.

[Principle 5.1 Policy for Constructive dialogue with shareholders]

In order to achieve sustainable growth and medium- and long-term corporate value improvement, we aim for shareholders, institutional investors, analysts, the media, and all other stakeholders, including IR executives and other management executives, and through dialogues and exchanges involving employees, we will promptly and accurately disclose company information.

- (1) The director in charge of IR and the IR department will deal with dialogues and interviews with shareholders and investors. Depending on the purpose of the dialogue, the department in charge of IR works organically with each department in the company to enhance the dialogue.
- (2) We have prepared briefing sessions for institutional investors, analysts, media and factory tours, and held briefings on business strategies and business content as appropriate. In addition, we hold shareholder exchange meetings and factory tours for individual shareholders and provide opportunities for dialogue. In addition, a dedicated page has been established on the website to make it easy to understand business results, business content, and business strategies.
- (3) The contents of dialogues with shareholders and investors are shared on a regular basis by utilizing the Board of Directors, Board of Directors meetings, internal intranet, etc.
- (4) In the dialogue, we will not communicate insider information (important undisclosed facts). The four weeks before the announcement of financial results is considered as the "silent period".

Supplementary Information	UPDATED
---------------------------	---------

The Company has established a committee composed of five directors (Yoshio Kito, Shigeki Osozawa, Katsumi Nakamura, Takashi Hirai and Koji Osawa) as an advisory body to the Board of Directors and an optional committee on the nomination and compensation of directors and corporate auditors.

The Committee secures independence and neutrality by appointing three outside directors out of five members. The committee deliberates on matters relating to the election, dismissal and dismissal of candidates for directors, corporate auditors, executive officers and officers of subsidiaries, as well as the content of remuneration, etc. of directors, executive officers and officers of subsidiaries. In addition, the

Committee evaluates the results of business execution of directors, executive officers and executives of subsidiaries, and makes recommendations to the Board of Directors.

The main items discussed and decided in the fiscal year ending March 2019 are as follows.

- 2018 executive compensation target setting, deliberation of executive evaluation and performance-linked compensation.
- Introduction of transfer-limited stock compensation system.
- Abolition of the director retirement benefit system.

Independent Directors/Kansayaku

Number of Independent Directors/Kansayaku	UPDATED	4
---	---------	---

Matters relating to Independent Directors/Kansayaku

The Company will judge the independence of its outside directors from the viewpoints of whether they can be expected to make positive suggestions and raise questions concerning the Company's business development, in addition to their satisfaction of the standards of independence prescribed by the Tokyo Stock Exchange, Inc. Specifically, independence of the outside directors will be evaluated based on the viewpoints mentioned above to the extent they do not fall under any of the following categories.

1. A person for whom the Company and the Company's group are principal trading partners or a business executive thereof,
2. A principal trading partner of the Company or a business executive thereof,
3. A major shareholder of the Company or a business executive thereof,
4. A business executive of a person for whom the Company and the Company's group are major investors,
5. A person receiving a large donation from the Company and the Company's group or a business executive thereof,
6. A consultant, certified public accountant, other professional accountant, lawyer, or other legal specialist that receives a large amount of money or other assets other than the compensation for a director from the Company and the Company's group (assets in excess of the amount equivalent to 2% of its total sales turnover or gross income or 10 million yen whichever is larger on average in the preceding 3 years, other than the compensation for a director) (In the case that the person receiving the assets is a corporation, association or other group, a person belonging to such group),
7. A person belonging to the auditing firm who performs a statutory audit of the Company and the Company's group,
8. A person from a corporation for which a business executive of the Company and the Company's group assumed the post of its outside director on a reciprocal basis within the preceding 3 years,
9. A person falling under the category of Items 1 through 8 hereof within the preceding 3 years,

10. A close relative (within the 2nd degree of relationship) of a person listed below:
- A person who falls under the category of Items 1 through 9 hereof,
 - A director, corporate auditor, executive officer or principal employee of the Company or the Company's group.

(Note)

- “Person for whom the Company and the Company's group are principal trading partners” refers to a person who received from the Company and the Company's group a payment of the amount in excess of 2% of its annual consolidated sales turnover or gross income or 100 million yen whichever is larger in the immediately preceding business year.
- “Principal trading partner of the Company and the Company's group” refers to a person who made to the Company and the Company's group a payment of the amount in excess of 2% of the Company's annual consolidated sales turnover or gross revenue or 100 million yen whichever is larger in the immediately preceding business year.
- “Major shareholder of the Company and the Company's group” refers to a person directly or indirectly holding 10% or more of the voting rights of the Company's and the Company's group's entire shareholders.
- “Person for whom the Company's group is a major investor” refers to a person the Company's group invests in to hold directly or indirectly 10% or more of its total voting rights.
- “Person receiving a large donation from the Company and the Company's group” refers to a person who received from the Company and the Company's group a donation in excess of 10 million yen or 2% of its annual sales turnover or gross income whichever is larger on average in the preceding 3 years.

[Incentives]

Incentive Policies for Directors	UPDATED	Performance-linked Remuneration
Supplementary Explanation		

From July 2019, the Company has provided fixed compensation, performance-linked compensation and stock-based compensation (shares with restricted transfer) to the Internal Directors of the Company. Previously, fixed compensation, performance-linked compensation, stock option compensation, and executive retirement benefits were adopted, but stock option compensation and executive retirement benefits were abolished, and it was regarded as stock-based compensation (shares with restricted transfer). In addition, the Company pays only fixed remuneration to outside directors and outside corporate auditors who are independent from business execution.

Ration among Fixed remuneration: Performance-linked remuneration: Stock remuneration = 6: 3: 1

Recipients of Stock Options	
Supplementary Explanation	

Stock option compensation was abolished at the end of the 75th Ordinary General Meeting of Shareholders held on June 21, 2019.

[Director Remuneration]

Disclosure of Individual Directors' Remuneration	Not individually disclosed.
Supplementary Explanation	

The compensation paid to directors and corporate auditors (collectively “Officers”) of the Company in fiscal 2018 is as follows.

Officer classification / total / fixed compensation / performance-linked compensation / stock option compensation / provision for executive retirement benefits (performance-linked type) / number of Officers
Directors (excluding outside directors) / 169 million yen / 89 million yen / 54 million yen / 3 million yen / 21 million yen / 4 persons

Corporate Auditor (excluding outside corporate auditor) / 14 million yen / 14 million yen / - / - / - / 1 person
Outside Officers / 36 million yen / - / - / - / 5 persons

1 The above compensation includes one director who retired on June 21, 2018, and excludes one non-compensated director.

2 As the amount of performance-linked compensation is not fixed at the end of the fiscal year, a portion (17 million yen) from April 1, 2017 to March 31, 2018, and from April 1, 2018 A portion (37 million yen) up to March 31, 2019 has been recorded.

3 Since the total amount of remuneration, etc. is 100 million yen or more and there are no officers, individual remuneration is not disclosed.

Policy on Determining Remuneration Amounts and Calculation Methods	UPDATED	Established
--	---------	-------------

Executive compensation is positioned as one of the key means to realize the Group's sustainable growth and medium- and long-term corporate value improvement, and compensation surveys involving large companies to secure market competitiveness. With the middle of the results as a benchmark, the Nomination and Compensation Committee verifies the appropriateness of the standard amount level and makes recommendations to the Board of Directors.

<How to calculate executive remuneration>

(Fixed fee)

Fixed remuneration is set for each job title and job title that is subdivided.

(Performance-linked compensation)

Performance-based compensation and executive retirement benefits are remuneration linked to performance in a single year.

The performance-linked compensation is determined by setting a standard amount for each position, and using the company's consolidated sales and EBITDA (earnings before tax plus extraordinary losses, interest expenses and cost amortization expenses) as evaluation indicators, and the target value The degree of achievement for (100%) and the degree of contribution of each person to our company's performance etc. will be evaluated comprehensively, and it will be determined within the range of 0% to 200% of the standard amount.

As a method of determining executive retirement benefits, we set a standard amount for each post, use our consolidated sales and EBITDA as an evaluation index, and evaluate the degree of achievement against the target value (100%) etc. It is determined in the range of 50% to 200%.

(Share-based payment (share with transfer restriction))

The standard amount is determined for each position, and the Company's common stock (with transfer restrictions) equivalent to that amount is granted annually.

Cancellation of transfer restrictions is at the time of retirement.

Reasons for selecting indicators

Sales is selected as an indicator for growth potential in the market.

EBITDA is selected as an index to measure cache creation output.

[Supporting System for External Directors and/or Kansayaku]

Although there is no dedicated support staff, the external directors and corporate auditors may coordinate with each division, or request the HR & GA Department for assistance. Additionally, the agenda of the Board of Directors' meetings are submitted in advance and at the Board of Corporate Auditors' meetings, the status of activities of the standing corporate auditors is reported and information is exchanged.

Under the Articles of Incorporation, the Company may be able to entrust its advisors, etc. by a resolution of the Board of Directors, but there is no applicable person at present.

2. Matters on Functions of Business Execution, Auditing, Oversight, Nomination and Remuneration Decisions (Overview of Current Corporate Governance System) UPDATED

(1) Board of Directors

- The Board of Directors of the Company, as a decision-making body of the company's management, resolves
- legal matters and determines and approves the basic policies of management and important matters in business.
- The Board of Directors supervises the performance of the duties of directors and executive officers.
- The Board of Directors is composed of seven directors (four internal directors and three outside directors).
- The Board of Directors is chaired by the Representative Director and President, and in principle will be held once a month, and extraordinary meetings will be held as necessary. As a company, we have a system that can make prompt and accurate management decisions. The business results of the Board of Directors in fiscal 2018 will be 16 times, including written resolutions.
- Also, the Board of Directors is positioned as the highest decision-making body of the Group, and important decisions concerning Group companies are made through the Board of Directors with overall group-wide control.
- The Representative Director & President reports monthly about the specific job execution status.
- The Company has entered into a contract to limit liability for damages under Article 423, Paragraph 1 of the Companies Act, with the Outside Directors, based on Article 427, Paragraph 1 of the Companies Act, The liability is limited to the minimum liability amount stipulated in Article 425, Paragraph 1 of the Companies Act.

(2) Executive Officers' meeting

- We have introduced an executive officer system to achieve flexible business execution by separating the decision-making and supervisory functions from the business execution.
- The Board of Directors has appointed 15 executive officers (including 4 4 concurrent directors) and adopted a management form that in which executive officers fulfill their roles and responsibilities as supervisors of business execution.
- The Executive Officers' Meeting deliberates on important items in detail in order to comprehensively coordinate and unify the execution of business operations.
- The Executive Committee is chaired by a representative executive officer and is held monthly before the Board of Directors. The Executive Officers' Meeting has been held 12 times in fiscal 2018.

(3) Board of Corporate Auditors

- The Board of Corporate Auditors strictly supervises and audits on directors' execution of duties, conducts direct hearings from directors, browses important documents, etc., and broadly examines the adequacy, efficiency, etc. of directors' business execution, and the board of directors Also, the Board of Corporate Auditors attends important meetings such as the Board of Directors and Executive Officers' Meetings and expresses their opinions.
- The Board of Corporate Auditors consists of one standing statutory auditor and two outside corporate auditors.
- The Board of Corporate Auditors holds meetings of the Board of Corporate Auditors, and examines the audit plan formulated by the Board of Corporate Auditors, the implementation status of audits, and audit results. The activities of the Board of Corporate Auditors has been held 11 in fiscal 2018 will be 11 times in fiscal 2018.
- The Company has entered into a contract to limit liability for damages under Article 423, Paragraph 1 of the Companies Act, with the Outside Corporate Auditors, based on Article 427, Paragraph 1 of the Companies Act, The liability is limited to the minimum liability amount stipulated in Article 425, Paragraph 1 of the Companies Act.

(4) Internal audit

- In our company, the Internal Audit Office has been established as an organization dedicated to internal audits under the direct control of the Representative Director and President, and has five members.
- In order to streamline management and improve operations, the Internal Auditing Office conducts audits based on the annual plan and compliance with the Company and the Group's internal control status regarding financial reporting and various standards of various executive activities regarding the company's management, overall management of business operations, and requests for improvement.
- The audit results by the Internal Audit Office are shared with the accounting auditor and the corporate auditor, and the audit results by the accounting auditor are also received quarterly by the Internal Audit Office.
- The audit results of the corporate auditors and the internal audit results are also fed back to the General Administration Department and Legal Affairs Office, which are the internal control department, and lead to a review of internal control rules by the both departments.

(5) Status of accounting audit

- The certified public accountants who executed accounting audit services in the fiscal year ending March 2019 will be Mr. Junji Ichihara and Mr. Mamoru Honda, who belong to PricewaterhouseCoopers Aaarata LLC.
In addition, there are five certified public accountants and 38 others involved in audit work.

(6) Contents of audit fee etc.

- The Company's audit corporation is PricewaterhouseCoopers Aaarata LLC.
- Contents of audit fee for audit certified public accountants
Compensation based on audit certification work for the Company: 55 million yen

IV. Matter Related to Internal Control Systems

1. Basic Views on Internal Control System and the Progress of System Development

The partial revision of “The Basic Policy for the Establishment of the Internal Control System of KITO Corporation” was resolved and approved at the Board of Directors meeting held on April 21, 2015, This Basic Policy was enacted through resolution of the Board of Directors’ meeting held on May 31, 2006, in response to the amended Companies Act. Subsequently, a partial revision was made through resolution of the Board of Directors’ meeting held on April 22, 2008 and a review was conducted of the responses to the partial revision, which resulted once again in a partial revision dated February 24, 2010.

With the enforcement of the Revised Companies Act and the Ordinance for Enforcement of the Companies Act as of May 1, 2015, we again resolved the partial revision of this Basic Policy.

Based on this Basic Policy, KITO Corporation will strive to establish an effective, legitimate, sound corporate framework, and will improve group-wide internal control, including risk management.

“The Basic Policy for the Establishment of Internal Control Systems” is as follows:

1. Basic Policy

KITO Corporation, recognizing that its mission lies in the consistent delivery of satisfaction and excitement to all customers, must direct all business activity in line with this corporate mission.

For the realization thereof, it is essential that KITO set in place and utilize a mechanism allowing self-imposed monitoring and overseeing of all business activity as well as internal control.

Therefore, KITO’s Board of Directors made the following decisions with respect to the structure of business execution by KITO Corporation and its subsidiaries and the auditing structure, in an attempt to achieve the mission stated above through the execution of activities in accordance with the structures.

2. Systems concerning business execution

- 1) Systems to ensure that the performance of duties by the directors and employees of KITO and the directors, etc., (i.e., the directors, etc., prescribed in Paragraph 1-5-(i) of Article 100 of the Ordinance for Enforcement of the Companies Act; the same shall apply hereinafter) and employees of KITO’s subsidiaries complies with laws, regulations and Articles of Incorporation (Paragraph 4-(vi), Article 362 of the Companies Act, Paragraphs 1-4 and 1-5-(iv), Article 100 of the Ordinance for Enforcement of the Companies Act)

- (1) KITO CORPORATION, a company with a board of corporate auditors, shall ensure the compliance of business executed by its directors by means of the supervisory function of its Board of Directors and the auditing function of its corporate auditors.
- (2) The Board of Directors of KITO shall run the Board in compliance with laws, regulations, the Articles of Incorporation and the Rules of the Board of Directors. Directors shall ensure legal compliance of their duties by executing them in accordance with resolutions of the Board of Directors. Corporate Auditors shall carry out auditing, in accordance with laws, regulations, the Articles of Incorporation and the Rules of the Board of Corporate Auditors, on the duties performed by directors
- (3) Subsidiaries of KITO shall be in a form compliant with local laws and regulations applicable at the places of organization thereof, and the Board of Directors of the subsidiaries or overseas organizations equivalent thereto (collectively, the "Board of Directors of Subsidiaries") shall be run in compliance with laws, regulations, the Articles of Incorporation, KITO's Global Regulations of Approval Authorities, and KITO's Regulations on the Management of Affiliates, while the directors, etc., of KITO's subsidiaries shall ensure the legal compliance of their duties by executing them in accordance with the resolutions of the Board of Directors of Subsidiaries. Corporate Auditors of KITO's subsidiaries or other persons equivalent thereto, if any, shall carry out auditing, in accordance with laws, regulations, the Articles of Incorporation, and applicable internal regulations of KITO, on the duties performed by directors, etc.
- (4) Further, guidelines for compliance shall be established along with detailed rules. As action guidelines designed to urge the directors and employees of KITO and the directors, etc., and employees of its subsidiaries to fully comply with the laws, regulations and Articles of Incorporation as well as with the social code of conduct, they shall be disseminated internally to achieve thorough familiarity and full compliance. A structure shall be created to allow reporting, on a periodic and on an as-needed basis, of the state of compliance to the Board of Directors, which in turn shall be kept informed of problems and conduct reviews as needed.
- (5) A section whose function is to accept reports and whistle-blowing by insiders on matters concerning compliance-related problems within the KITO Group shall be established and operated at KITO. When deemed necessary, a section to accept whistle-blowing by insiders shall be established and operated also at the subsidiaries in accordance with local laws & regulations and actual circumstances.
- (6) Periodic audits shall be performed by KITO's Internal Audit Group concerning the state of compliance of the applicable departments of KITO and its subsidiaries.

2) Systems for storage and management of information related to KITO's directors' performance of duties (Paragraph 1-1, Article 100 of the Ordinance for Enforcement of the Companies Act)

Preservation and management of documents and records pertaining to the performance of duties by the directors of KITO and the directors, etc., of its subsidiaries shall be governed by the Articles of Incorporation and the Rules of the Board of Directors, etc. For more detailed rules, Document Management Rules shall be created to build a structure allowing proper filing and management of such documents.

Directors and corporate auditors of KITO may browse such information as needed.

Additionally, internal rules including the Rules on Personal Information Protection shall be established in an effort to ensure information security and its proper operation.

3) System to have matters related to the performance of duties by the directors, etc., of KITO's subsidiaries reported to KITO (Paragraph 1-5-(i), Article 100 of the Ordinance for Enforcement of the Companies Act)

For the purpose of ensuring decision-making in line with uniform, Group-wide business strategies and the appropriateness of business, KITO shall set in place the Global Regulations of Approval Authorities, which prescribes the matters to be referred to for sanction at KITO and its subsidiaries, and the Regulations on the Management of Affiliates, which prescribes the matters to be referred to for sanction in advance and the matters to be reported by the directors, etc., of the subsidiaries. KITO shall also develop a system of reference for sanction and reporting in accordance with those regulations and shall promote its business in line with these.

Furthermore, KITO shall establish, under the Regulations on the Management of Affiliates, a system to have the business results of the subsidiaries reported to KITO on a regular basis along with matters significant to business, if any, at each time of occurrence thereof.

4) Rules and systems for the management of risk of loss at KITO and its subsidiaries (Paragraphs 1-2 and 1-5-(ii), Article 100 of the Ordinance for Enforcement of the Companies Act)

- (1) Any significant matter shall be subject to the scrutiny of the Board of Directors, the Management Conference, or any other organ of KITO or its subsidiaries responsible for making decisions on the matter in question in accordance with the laws, regulations, Articles of Incorporation and internal rules. Additionally, the department responsible for legal affairs and other relevant departments shall conduct preliminary examinations on any important matter in accordance with the internal rules and others in an effort to fully understand and identify risks.
 - (2) KITO shall establish basic rules concerning risk management (“Risk Management Rules”), which shall be considered as the highest orders concerning the Group’s risk management, and promote risk management by nominating directors to oversee matters relating to the risk management and by appointing divisions to be in charge of legal affairs as the division that is responsible at KITO for the risk management system and that functions as the Risk Management Headquarters of KITO and its subsidiaries. Risk management, in principle, shall be performed by the departments in charge of the area in question at KITO and its subsidiaries. The Risk Management Headquarters of KITO shall be engaged in cross-organizational management of risks over and across the entire Group. The Risk Management Rules shall incorporate provisions setting forth procedures for the periodic identification of risks for proper recognition of various risks associated with business and the deterrence and prevention of the occurrence of material loss and risks.
 - (3) The Internal Audit Group of KITO shall perform periodic audits on the state of risk management at applicable departments of KITO and its subsidiaries.
- 5) Systems to ensure efficient execution of duties by the directors of KITO and the directors, etc., of its subsidiaries (Paragraphs 1-3 and 1-5-(iii), Article 100 of the Ordinance for Enforcement of the Companies Act)
- (1) The scope of responsibilities shall be reasonably decided by KITO and its subsidiaries for each of the directors of KITO and the directors, etc., of its subsidiaries, and the scope of responsibilities and authority shall be decided in accordance with the internal rules and others for each organ and department.
 - (2) The Board of Directors shall hold regular meetings once every month to decide on resolutions rightly brought to its attention. Executive officers shall hold regular meetings once every month to facilitate sharing of information including progress status of business execution. Special meetings of the Board of Directors and/or special conferences of executive officers may be held as needed. These meetings shall form the backbone of a structure enabling quick managerial decision-making. Effectiveness and efficiency of the performance of duties shall be enhanced further through strict goal management and quarterly reporting of the state of progress with respect to the duties stipulated in the Board-approved medium-term and long-term business plans and annual plans.
 - (3) Subsidiaries of KITO shall hold regular meetings of their Board of Directors of Subsidiaries in compliance with applicable local laws and regulations to decide on the matters to be resolved by the Board of Directors of Subsidiaries and shall also hold a special meeting of the Board of Directors of Subsidiaries as occasion demands to thereby establish a structure enabling quick managerial decision-making. The subsidiaries shall enhance the effectiveness and efficiency of the performance of duties by implementing strict goal management and by having the state of progress with respect to the duties stipulated in the medium-term and long-term business plans and annual plans approved by the Board of Directors of KITO. These are reported to the regular meetings of their Board of Directors of Subsidiaries by their representative directors or equivalent persons as well as to the meetings of the Board of Directors and the conferences of executive officers of KITO by general managers of the business divisions of KITO in charge of the supervision of subsidiaries.
 - (4) The Internal Audit Group of KITO shall perform periodic audits on the efficiency of the execution of duties by each of the departments of KITO and its subsidiaries.
- 6) Systems to ensure proper operations in KITO Corporation and its corporate group comprising KITO and its subsidiaries (Paragraph 1-5, Article 100 of the Ordinance for Enforcement of the Companies Act). (excluding the systems prescribed in 1) through 5) above).
- (1) For the purpose of ensuring decision-making in line with uniform, Group-wide business strategies and the appropriateness of business, KITO shall set in place the Global Regulations of Approval Authorities, which prescribes the matters to be referred to for sanction at KITO and its subsidiaries, and the Regulations on the Management of Affiliates, which prescribes the matters to be referred to for getting approval in advance and the matters to be reported by the directors, etc., of the subsidiaries. KITO shall also develop a system of reference for getting approval and reporting in accordance with those regulations and shall promote its business in line with these.

Also, KITO shall have the business divisions in charge of the supervision of KITO's subsidiaries report on the monthly reports submitted by the subsidiaries at the conference of executive officers of KITO. In addition, the Legal Affairs Office shall be appointed as the division responsible for the management of the subsidiaries to promote such management. Furthermore, certified public accountants with global operations shall be appointed so as to ensure accounting appropriateness and uniformity regarding the management of the group companies.

- (2) The Internal Audit Group of KITO shall perform periodic audits concerning the compliance, risk management, and business efficiency of KITO and its subsidiaries.

3. Systems related to auditing

- 1) Matters relating to employees assigned to the position to assist corporate auditors in performing their duties, matters relating to the independence of those employees from the directors and matters relating to securing the effectiveness of instructions given to the employees (Paragraphs 3-1 through 3-3, Article 100 of the Ordinance for the Enforcement of the Companies Act)

Corporate Auditors shall, when deemed necessary, appoint employees assigned to a position to assist corporate auditors in performing their duties ("Assistants to Corporate Auditors"). It shall be clearly stipulated in the internal regulations and made fully known across KITO that the employees appointed as Assistants to Corporate Auditors are not subject to directions or orders given by the directors or superiors of the organs they belong to, if such directions or orders are matters relating to duties instructed by the corporate auditor. The transfer of and disciplinary measures against the Assistants to Corporate Auditors, if any, shall be reported to the corporate auditors in advance, and the opinions of the corporate auditors including the judgment of eligibility of the Assistants to Corporate Auditors shall be fully respected.

- 2) Systems for the directors and employees of KITO and the directors, etc., and employees of its subsidiaries for reporting to corporate auditors, systems for other forms of reporting to corporate auditors, and systems to ensure that no disadvantageous treatment is given due to the reasons for making a report (Paragraph 3-4 and 3-5, Article 100 of the Ordinance for Enforcement of the Companies Act)
 - (1) In addition to reporting of information required by law, directors, etc., corporate auditors (including persons in equivalent positions at the subsidiaries), and employees at the KITO Group ("Officers and Employees") shall report to corporate auditors of KITO without delay if he or she becomes aware of any matter that may give rise to significant impact on any of the KITO Group companies. Additionally, ordinary reports and requests for management approval of daily nature at KITO shall be circulated to the corporate auditors of KITO to keep them informed.
 - (2) The Internal Audit Group, department responsible for legal matters, department responsible for the general administration and department responsible for the accounting of KITO shall hold a reporting session for the corporate auditors of KITO on a regular basis to report on the current state of internal auditing at the KITO Group, along with compliance and risk management.
 - (3) The department responsible for the management of the whistle-blowing system of the KITO Group (department responsible for legal matters) shall report on the state of reports received from the Officers and Employees of the KITO Group to the corporate auditors of KITO on a regular basis.
 - (4) KITO shall prohibit any disadvantageous treatment given to the Officers and Employees of the KITO Group due to the reason of their making a report to KITO's corporate auditors and shall make the policy thoroughly known to the Officers and Employees of KITO Group.

- 3) Matters related to the transaction of expenses or liabilities arising in relation to the corporate auditors' performance of their duties and other systems to ensure effective and efficient auditing by corporate auditors (Paragraphs 3-6 and 3-7, Article 100 of the Ordinance for Enforcement of the Companies Act)

Corporate Auditors of KITO may attend, in addition to the meetings of the Board of Directors and the conferences of executive officers of KITO, important meetings concerning safety, environment, quality, production, and sales, among others, to carry out auditing with respect to legal compliance and efficiency of business operations. Corporate Auditors may also seek explanations of the directors, etc., or employees of the KITO Group and may make a firsthand inspection as needed for increased efficiency and effectiveness of auditing. Close collaboration and coordination of the parties concerned shall also be ensured by corporate auditors' conferences with the certified public accountant, legal counsel, and other professionals independent of KITO and its Group or by using them as assistants to the corporate auditors. The expenses required to be secured the aforementioned system shall be borne by KITO and paid in advance when so requested by the corporate auditors of KITO.

4. Systems for ensuring the appropriateness of financial reporting
 - 1) KITO shall set an internal control system to ensure the appropriateness of financial reporting.

2. Basic Views on Eliminating Anti-Social Forces

KITO shall undertake the following actions as a part of its internal control (compliance risk management) in an effort to eliminate antisocial forces

1) KITO shall stand firm against any unfair demand claimed by antisocial forces and organizations that threaten the order and safety of civic life and shall cut off any and all connections therewith, without making any easy compromise with them by means of monetary solutions and otherwise.

2) KITO shall explicitly state the basic approach presented above in its Compliance Manual, declare it internally and externally, and appoint the department responsible for general administration as the department in charge of overseeing any dealings with antisocial forces. At the same time, a person responsible for the prevention of complying with any unfair demand shall be nominated for the head office and each of the sales offices, who will make efforts to gather information, etc., from the police and other sources and, when deemed necessary, will give reports to or hold consultations with the police and others to refuse unfair demands in an absolute manner.

In addition, a manual for dealing with antisocial forces shall be prepared to stipulate actions to be taken in the event of any possible threat by antisocial forces or of potential injury that may be inflicted and to establish a structure whereby necessary information will be reported to the department responsible for general administration and damage will be prevented.

V. Others

1. Adoption of Anti-Takeover Measures

Adoption of Anti-Takeover Measures	Not Adopted
Supplemental Explanation	

2. Other Matters Concerning to Corporate Governance System

UPDATED

1. Basic policy on timely disclosure of company information

In order to enable investors to accurately determine the value of their investment in the Company, the Company's basic stance is to disclose the necessary company information in a timely and appropriate manner, and therefore, we have built a system that allows for quick disclosure of the necessary company information. In addition, regarding education concerning timely disclosure, we take the opportunity of important meetings and training sessions for executives and employees, including executives and employees of consolidated subsidiaries and we are keeping such officers and employees aware of and thoroughly understand the basic policies and important facts subject to timely disclosure.

2. Internal system concerning timely disclosure of company information

(1) Status of timely disclosure organization

Name of the Department in charge: Corporate Communication Department

Officer in Charge of Handling Information: Chief Information Officer (“CFO”)

(2) Timely disclosure procedure

A. Information on the fact of decision

The department in charge of timely disclosure obtains important deliberation matters of important meetings, such as the Board of Directors, examines the presence or absence of important facts targeted for timely disclosure, prepares disclosure data immediately if applicable, and reports it to the representative director through the Information Handling Officer, obtain the approval of the meeting concerned, and disclose it after the meeting is over.

B. Information on occurrences

If any such facts are found, each department and subsidiary will report to the Department in charge of timely disclosure. The Department in charge of timely disclosure examines whether or not disclosure is necessary, immediately prepares disclosure materials, reports to the Representative Director and President through the

Information Handling Officer, obtains approval for them, and then, we have a system in place that enables us to promptly disclose them to the investors, etc.

C. Financial information

The Department in charge of timely disclosure plays a central role in preparing financial disclosure data (such as financial statements summary), and upon approval by the Board of

D. Timely disclosure procedures pertaining to the corporate group

As of March 31, 2019, the Company had 22 significant subsidiaries. Subsidiaries have submitted monthly financial statements by the 10th of the following month. Based on these, the Department in charge of timely disclosure examines the presence or absence of important facts that are subject to timely disclosure, and if applicable, reports to the Representative Director and President through the Information Handling Officer information handlers, obtains approvals for them, and then, we have a system in place that enables us to promptly disclose them to the investors, etc.
