GLORY to Hold "IR Day 2026" on January 27, 2027
— How is GLORY Accelerating Its International Growth? —

GLORY LTD. will hold IR Day 2026 for institutional investors and analysts at Akihabara UDX in Tokyo, Japan on January 27, 2027.

Under the theme "How is GLORY Accelerating Its International Growth?", leaders from the Group's international businesses, including Flooid and Acrelec, will come to Japan for IR Day 2026, offering participants a valuable opportunity to hear directly from those leading our businesses in international markets. They will share firsthand insights into GLORY's competitive strengths, growth potential, and vision for the future, and engage directly with participants on questions we frequently receive from investors.

Through presentations, Q&A sessions, and interactive discussions, participants will have the opportunity to explore what enables GLORY to grow its international businesses, particularly in new business domains, where its competitive strengths lie, and the potential of the GLORY Group as it works toward its vision for the future.

The first part of the event will be available both in person and online, allowing a wide range of investors and analysts to participate. For those joining us in person, the second part will offer a more interactive experience at GLORY's showroom. In a relaxed lunch reception setting, participants will have opportunities to engage directly with our executives and business leaders while experiencing our latest solutions firsthand. We hope this will provide a unique opportunity to deepen your understanding of GLORY's businesses and strategies through open and direct dialogue.

Through IR Day 2026, we look forward not only to sharing the GLORY Group's vision for the future, but also to hearing your perspectives and insights through meaningful dialogue. We look forward to welcoming you to IR Day 2026 and exploring GLORY's future together.
