

**ACOM has received the Excellence Award in Daiwa Investor Relations' 2025
Internet IR Award for the fourth consecutive year**

Daiwa Investor Relations Co. Ltd. has selected ACOM as a winner of the Excellence Award in the 2025 Internet IR Award for the fourth consecutive year.

For the Daiwa Internet IR Award, Daiwa Investor Relations Co. Ltd. evaluates and scores the IR websites of 4,122 listed companies in Japan based on the 5T&C* concept, which assesses how effectively IR activities are integrated with the internet. Under this framework, the Internet IR Award is presented to companies that demonstrate particularly outstanding information disclosure and communication activities. In the latest awards program, 158 companies were honored: 8 received the Grand Prize, 19 received the Excellence Award, and 131 received the Merit Award.

ACOM will continue to further enhance its IR website and related information, ensuring the timely, appropriate, and clear disclosure of information to its shareholders, investors, and other diverse stakeholders.
