FOR IMMEDIATE RELEASE

Tokyo Tatemono Co., Ltd.

Notice of Establishment of Representative Office in Singapore

Tokyo Tatemono Co., Ltd. announces that it is establishing a representative office in Singapore as shown below.

The Company declared it would search for business opportunities in emerging nations in Asia as one of its initiatives for overseas businesses in the Group's mid-term management plan, "Re-Start - Challenge to Innovation" announced in February 2012. To facilitate prompt and diversified local information gathering and research and investigation, a new office is being opened in Singapore.

From this new office, the Company will search for possibilities for new business development in the rapidly growing emerging nations in Asia.
