Corrections to “Nippon Express Holdings' International Airfreight Forwarding Results”

We would like to inform you that some of items in “Nippon Express Holdings' International Airfreight Forwarding Results” (February to September 2025) published as the monthly change of NIPPON EXPRESS Holdings business results will require corrections.

記

1. Details

A. What to be corrected

Due to an error in the calculation of current year East Asia business results under “Export Cargo Volume: Monthly Change” as listed in “NIPPON RXPRESS Holdings International Air Cargo Handling Performance” on our website, please be informed that corrections are being made to the actual figures for the current year and YoY comparison.

International Air Transportation From East Asia　　Unit (t/chargeable)

2025	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Total
After	**9,869**	**9,156**	**11,009**	**10,622**	**10,928**	**10,352**	**11,213**	**11,056**	**11,661**	**95,866**
Before	9,869	9,425	11,296	10,880	11,190	10,611	11,604	12,140	11,532	98,547
Difference	0	△269	△287	△258	△262	△259	△391	△1,084	129	△2,681
