Strategy

	Strategic Goals	Overview
1	**Expansion of lifestyle businesses**	Tramo Group is a leader within the logistics services specializing in the high-end design furniture segment in the North American and European markets. The addition of Tramo Group will allow NX Group to expand its market shares and footprint within the lifestyle business
2	**Offering of new solutions**	By integrating Tramo Group’s specialized functions of collection and delivery that are optimal for the high-end design furniture segment, NX Group will widen its scope of solutions for customers across various geographies
3	**Integration with the worldwide services network**	NX Group will have the opportunity to connect its worldwide network of transportation services with Tramo Group's to further strengthen NX Group's capability to support customers' supply chains

Maximizing the synergies between the two companies will enable us to provide higher quality services to customers globally in the lifestyle businesses
